Date: Thursday 6 February - **Welcome:** 16:00 - **Networking:** 17:15

Venue: EFRAG Offices - 35 Square de Meeûs 1000 Brussels

In support of the practical application needs of European corporate reporting stakeholders, the members of the **European Lab Project Task Force on Climate-related Reporting (PTF-CRR)** are happy to share their report on good reporting practice examples from Europe and beyond, related to general climate-related disclosures and scenario analysis.

To mark the occasion the European Lab is organising a launching event on **6 February** at EFRAG's premises in Brussels, 35 Square de Meeûs.

The European Lab Steering Group Chair, **Jean-Paul Gauzès**, will open the event. **Pascal Canfin**, Chair of the EP ENVI Committee, will set the scene and the report will be presented by **Michèle Lacroix**, Chair of PTF-CRR. Your questions will be addressed during a Q&A session. The concluding remarks will be delivered by **Alain Deckers**, Head of Unit, EC DG FISMA and Vice-Chair European Lab Steering Group.

The presentation will be followed by networking drinks around 17:15.
