### SAVE THE DATE FOR OUR JOINT OUTREACH EVENT

On 29 April 2022, EFRAG launched a public consultation on its Draft European Sustainability Reporting Standards Exposure Drafts (ESRS ED). The public consultation will examine different possible approaches on these European Sustainability Reporting Standards.

In this context, EFRAG and DASB (RJ) are organising a joint outreach event and invite all interested stakeholders to participate. Expert speakers, related to EFRAG and DASB, will provide their views on these ESRS EDs and will further comment from their perspective. The audience will be able to interact, raise questions and answer polling questions that will be commented by the speakers.

Please register [here](#) for the event.

[there should be sufficient seats available for physical attendance, but available seats will be allocated on a first-come-first-served basis. The outreach will also be broadcasted.]
